

Bringing **meaningful** change to
communities.

Support in review

Since 2014, Star Group of Companies has supported the Humpty Dumpty Foundation to deliver on its purpose in helping hospitals care for children by providing much needed medical equipment and initiatives that improve health outcomes.

Humpty's Wish List model empowers Star with choice and tangibility over their charitable giving. It enables a positive and meaningful change, making an immediate difference to local hospitals and health services within locations and areas of choice, with the ability to deepen alignment to operational footprint.

Event sponsorship and participation in events like the Humpty Dumpty Balmoral Burn, enables team building and staff engagement across all level of business, all coming together for good.

Celebrating
**the lasting,
 positive impact**
 STAR Group
 continues to provide
 for sick kids in
 hospitals.

“

... These machines make the life of the
 Midwife much easier. We are able to
 monitor both mum and bub on the
 same machine, do ward rounds and
 save all the obstetricians and be more
 efficient in out practice.

GOULBURN BASE HOSPITAL

Your Reach

17 pieces of essential
 and often lifesaving
 medical equipment are
 caring for kids in hospitals
 and health services across
 Australia's eastern
 seaboard.

Your donations of start-
 of-the-art equipment
 dramatically increase
 positive health outcomes.

You're helping to reduce
 separation and anxiety for
 kids and their loved ones.
